## our HISTORY

The history of the legal recognition of our profession finds its first sign of interest in Law No. 1395 of 1923 and is regulated by Regio Decreto No. 275 of 1929.

The Periti Industriali, recognized throughout Europe, contributed to the reconstruction of Italy after the war and today they accompany its technological revolution.

we **DESIGN** *your world*

The multifaceted expertise of Periti Industriali, grouped into 8 specialization sections, responds comprehensively to the diverse needs of the market.

- ✓ CONSTRUCTION, ENVIRONMENT, AND TERRITORY
- ✓ MECHANICS AND ENERGY EFFICIENCY
- ✓ ELECTRICAL SYSTEMS AND AUTOMATION
- ✓ COMPUTER SCIENCE
- ✓ CHEMISTRY
- ✓ DESIGN
- ✓ FOOD TECHNOLOGIES
- ✓ PREVENTION AND ENVIRONMENTAL HYGIENE

# THE PROFESSION *of perito industriale*

To practice the profession of Perito Industriale, registration with the professional association is required after completing an academic training path including an internship and a State examination.

## *the* REGIONAL ORDERS

We are present throughout the national territory to provide comprehensive support for the economic, educational, and institutional activities of our members, ensuring competence and impartiality.

## *the* NATIONAL COUNCIL

The National Council of Periti Industriali, overseen by the Ministry of Justice, contributes to the development and promotion of the profession, safeguarding both clients and the community. It supervises the regional Orders and is granted jurisdictional functions.

## OUR STRENGTH

### **MULTIDISCIPLINARITY**

8 specialization sections with different and cross-cutting expertise

### **WIDESPREAD PRESENCE**

Provincial Orders throughout the national territory to support the activities of our members

### **INTERNATIONALITY**

Mobility of study and professional paths within the European community
